Chapter 1: Introduction	3
What is the Purpose of this Comprehensive Plan?	3
Objectives	3
About Sheridan County.....	4
Wyoming Statutory Authorization	7
Key Issues This Plan Addresses	7
Issue 1: Planning for Growth.....	7
Issue 2: Utilities and adequate water.....	8
Issue 3: Property Rights	8
Issue 4: Workforce Housing	9
Issue 5: Agriculture.....	9
Issue 6: Open Lands.....	9
Issue 7: Commercial and business development	9
Issue 8: Transportation	10
Issue 9: Historic preservation.....	10
Planning Process.....	10
Plan Implementation: What Will it Take?.....	11
Implementation Strategy.....	11
Zoning update consistency	12
Plan Contents and Organization.....	13
 Chapter 2: Vision	 14
Introduction	15
Seven Themes for Sheridan County’s Vision.....	15
 Chapter 3: Land Use	 16
Maintain a Balanced Land Use Pattern	16
Why is this Theme Important?.....	16
Summary of This Theme’s Topics	17
Chapter Contents	17
Land Use: “Big Ideas”	18
1. Plan for well-designed compact urban growth in communities.....	18
2. Retain the distinct and autonomous towns in the county.....	18
3. Retain the agricultural/rural areas of the county	19
4. Encourage clustered development patterns.....	19
5. Conserve the Big Horn foothills	19
6. Allow continued limited rural residential patterns in the Big and Little Goose Creeks	19

7. Provide stewardship of our natural resources	19
8. Identify suitable locations and standards for heavy industry	19
9. Provide community planning where it is needed in unincorporated places	20
Future Land Use Plan.....	20
Purpose and Description	20
Future Land Use Plan Boundaries	21
Future Land Use Plan Natural Resource Designations	21
Future Land Uses	23
Land Use Categories	26
Agriculture/Resource Area	26
Agriculture/Resource	26
County Residential Categories.....	27
County Low Density Residential	27
Planned Unit Development (PUD).....	30
Town and Urban Categories	32
Community Core	32
Urban Residential.....	32
Commercial (and Commercial Centers).....	34
Neighborhood Commercial.....	34
Light Industry/Business Park.....	35
Heavy Industry	35
Special Planning Area	36
Other Categories	36
Airport	36
Public Lands	37
Land Use Goals and Policies	37
Chapter 4: Natural and Scenic Resources and Environment	45
Sustain Natural and Scenic Resources and Environmental Quality	45
Why is this Theme Important?.....	45
Summary of This Theme’s Topics	46
Chapter Contents.....	46
Natural Resource Plan maps	46
Resource Conservation Map	46
Hazardous Areas Map	48
Natural and Scenic Resources Goals and Policies	54
Chapter 5: Economic Opportunities and Jobs.....	66
Support Economic Opportunities and Jobs for Livable Communities	66
Why is this Theme Important?.....	66
Summary of This Theme’s Topics	67
Economic Opportunities Goals and Policies	67

Chapter 6: Services and Facilities..... 72
 Provide Services and Facilities in an Efficient and Fiscally Responsible Manner..... 72
 Why is this Theme Important?..... 72
 Summary of This Theme’s Topics 73
 Services and Facilities Goals and Policies..... 73

Chapter 7: Transportation System..... 81
 Develop a Connected, Safe Transportation System with Multiple modes 82
 Why is this Theme Important?..... 82
 Summary of This Theme’s Topics 82
Chapter Contents 82
Transportation Plans 82
 County Road Network..... 82
 Heavy Truck Corridors 83
 Alternative Cross-County Routes..... 83
 Future Road Network..... 83
 County Trails and Pathway Planning 86
 Transportation Goals and Policies 89

Chapter 8: Distinct Communities 97
 Maintain Distinct Communities, Values, and Traditions 97
 Why is this Theme Important?..... 97
 Summary of this Theme’s Topics..... 97
 Distinct Communities Goals and Policies 98

Chapter 9: Regional Cooperation 102
 Address Regional Issues Cooperatively..... 102
 Why is this Theme Important?..... 102
 Summary of this Theme’s Topics..... 102
 Regional Cooperation Goals and Policies..... 102

Chapter 10: Communities in Focus..... 107
 1. Incorporated Towns..... 107
 Dayton 107
 Ranchester 108
 Clearmont 108
 2. Unincorporated Places: Community Planning 109
 Arvada 109
 Story 109
 Big Horn 110
 3. Rural Centers 112

Chapter 11: Sheridan Joint Planning Area..... 113
 Description and Purpose 113
 The Sheridan Joint Land Use Plan..... 113

Chapter 12: Conservation Areas and Clustering 90

- 1. **Agricultural/Resource Area 90**
 - Clustering/Conservation Development Areas.....91
 - Location of Clustering/Conservation Development Areas.....92
 - Eligibility for Clustering in this Area92
- 2. **Big Horn Foothills Resource Conservation Area..... 95**
 - Description and Purpose95
 - Policies for the Big Horn Foothills Resource Conservation Area.....95
- 3. **Big and Little Goose Creeks—Limited Expansion of County Low Density Residential 97**
 - Description and Purpose97
 - Big Goose Corridor97
 - Little Goose Creek Corridor97

Chapter 13: Implementation Strategies and Action Plan 126

- Overview 126
- Priority Actions..... 127
- What Will it Take?..... 127
 - 1. Day-to-Day Policy Decisions.....127
 - 2. Regulatory and Zoning Revisions127
 - 3. Programs and Plans128
 - 4. Regional Coordination.....128
 - 5. Funding Mechanisms129
- Action Plan..... 130
- Comprehensive Plan Monitoring and Updates 137
- Plan Amendment Process..... 137
 - Overview137
 - (1) Comprehensive Plan Updates (Every Five Years)138
 - (2) Plan Amendments.....138
 - Wyoming Law Applies138
 - Comprehensive Plan Update Process—Every Five Years.....138
 - Plan Amendment Process and Procedures139

Appendices

- Appendix A: Existing Conditions
- Appendix B: Inventory Maps
- Appendix C: Water and Wastewater Conditions Influencing Growth
- Appendix D: Public Process
- Appendix E: Plan and Policy Summary
- Appendix F: Plan Capacity
- Appendix G: Definitions
