

FREE AT-HOME COVID-19 SALIVA TESTING

Available to all Wyoming residents

Each test kit includes:

Instruction Card

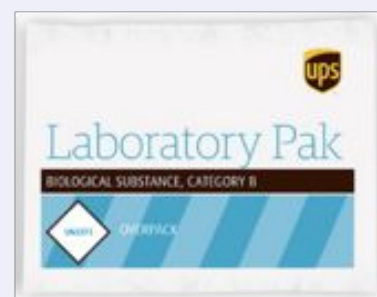

Saliva Collection Device

Biohazard Bag

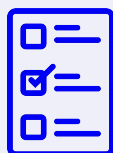

Alcohol Pad

Prepaid Overnight Return Envelope

A Vault test supervisor will guide you through the collection on Zoom.

Other important test details:

Go to health.wyo.gov to get the ordering link.

The test will be sent via UPS Next Day air to you and includes a prepaid overnight return envelope to the lab

Do not eat, drink, chew gum, or smoke for 30 minutes before your test.

You will receive an email from hello@updates.vaulthealth.com with your result within 24-48 hours after your package arrives at the lab. You can also login to your Vault account to view your results by going to app.vaulthealth.com
