## **REQUEST FOR BIDS**

Sheridan County, Wyoming is requesting a bid for one (1) 2020 or newer Tractor with Attachment. Sheridan County will accept until **10:00 a.m. on Thursday September 26, 2019**, bids submitted on the official submittal form, signed by a duly authorized agent of the supplier, and submitted in a sealed envelope marked "TRACTOR WITH ATTACHMENT BID", addressed to the Sheridan County Public Works Department, 224 S. Main Street, Suite 428, Sheridan, WY 82801. BIDS WILL BE OPENED AT THIS TIME. Bids submitted by telephone, telegraph or facsimile will not be accepted.

## **BIDDING INSTRUCTIONS**

### **GENERAL**

It is the intent and purpose of these specifications to secure for the purchaser the necessary equipment and accessories that will comprise and furnish the equipment described above. A detailed list of minimum specifications required is included and is the basis on which the supplier's proposal must be made.

### **MATERIAL AND WORKMANSHIP**

All equipment, materials and workmanship shall be of the highest grade in accordance with modern practice. The equipment supplied will be new (2020 or newer) and unused. Materials shall be of good commercial quality for the intended service and shall be produced by use of current manufacturing processes. Material shall be treated to resist rust, corrosion and wear.

### **PROPOSAL SUBMISSION RULES**

Specifications contained herein are proposed minimum specification, if your equipment differs from these specifications, provided the specification referenced and how your equipment differs. Bidders are accordingly advised that all pages of the specifications, with required answers indicated, must be returned with the submitted bid proposal. Also include the standard warranty information for the tractor and attachment. Provide an estimated delivery date.

Unit offered under this advertisement shall be new standard production model of the latest design in current production.

The design of the mechanical members shall be such that the stress imposed through normal shock loads at maximum engine torque shall not cause rupture or permanent deformation or

undue wear on any member.

**Bidders must submit with their bid the latest printed specifications and advertising literature on the tractor unit and attachment they propose to furnish.**

Successful Bidder shall supply one (1) parts book and one (1) service and repair manual, with *each* unit.

Bidder shall be prepared to give a complete demonstration of the merits of the machines offered as directed by the purchaser. The machine so demonstrated shall be complete as offered by the bidder for this bid.

The price or prices bid shall include all transportation charges to Sheridan, Wyoming. Purchaser requests delivery to be as soon as practical.

The Basis of Award shall be dependent on the most responsible bid submitted. Consideration will be given to cash flow, purchase price, delivery dates, equipment service guarantees, parts and service availability, parts and service location, analyses and comparison of equipment specification details, and any other items of concern to Sheridan County.

Sheridan County reserves the right to reject any or all bids, to waive any informality in bids, or to accept in whole or part such option and bid as may be deemed in the best interest of Sheridan County.

In accordance with the provisions of Section 16-6-102 and Section 16-6-106, Wyoming Statutes, preference is hereby given to resident Wyoming Contractors and to materials, supplies, equipment, machinery and provisions produced, manufactured, supplied or grown in Wyoming, quality being equal to articles offered by competitors outside the state. **Bidders claiming preference must submit evidence of WY residence as defined in WY Statue Section 16-6-101.**

**Sheridan County 2020 Mower Tractor with attachment Minimum Specifications**

The Tractor with attachment described in this specification shall be diesel powered and designed for all types of road applications. The unit shall include the tractor set up with mid-mount flail mower. Including, but not be limited to, the following minimum specifications:

GENERAL DESCRIPTION:

This specification is intended to procure a current production all-wheel drive wheel tractor for use with attachments as specified in the bid. These attachments shall be furnished with the tractor and included in the bid.

TRACTOR -

1. The tractor shall be rated at not less than 80 PTO horsepower. Manufacturer's advertised weight shall be 9200 lbs. minimum for tractor without counterweights or hydro-inflation. Transmission shall have not less than twelve speeds with forward-reverse hydraulic shuttle and clutch shall be hydraulic wet disc type. Engine shall be equipped with a variable speed governor with both hand and foot throttle controls. Engine shall be protected to minus 30 degrees F. with permanent-type antifreeze. Engine shall be equipped with 120-volt block heater.
2. Tractor shall be equipped with power steering. Front tires shall be R1Radial 12.4Rx24. Rear tires shall be R1Radial 18.4Rx30.
3. The tractor shall be equipped with a 540 RPM independent rear power take-off and live hydraulic system. The hydraulic pump capacity shall be adequate to handle all normal tractor attachments. The hydraulic system shall be minimum 17 gpm and 2800 psi at the remotes. Tractor shall have a 2-spool hydraulic control valve with float in 1 position. The tractor shall be equipped with an hour meter, electric starting and lighting equipment, key lock ignition switch, deluxe padded operator's seat, seat belt, and all instruments and gauges normally listed as standard equipment and furnished with this type of machine. Tractor shall be equipped with a backup alarm, warning horn, 3-point hitch, draw bar, headlights, taillights, turn signals, amber strobe beacon, and parking brake.

CAB -

Tractor shall be equipped with steel cab equipped with safety glass windows, side and back glass shall be tinted, ROPS, backup alarm, outside rearview mirrors, front and rear windshield wiper, sound insulation package, heater, air conditioning and AM/FM stereo.

The tractor, cab and all attachments shall be painted standard factory color. The tractor

shall be equipped with a Slow Moving Vehicle (SMV) sign and toolbox.

ATTACHMENT –

The attachment shall be the manufacturer's most heavy-duty mid-mount 75-inch hydraulic driven flail mower which will mow in front of and to the right of the right rear tire. The main frame shall be properly braced to the front and rear axle housings to absorb side torque and shock loads. The unit shall meet or exceed the following industry standard: SAE J1001, J115, J208, J715, J898, J909, J920, J1150, J1500, ANSI/SAE S441, S318.7, S217.10, S278.6, EP363, ASTM A370.

The cutting head shall be 75' of actual cut, weigh at least 1220 pounds, and have a bonnet thickness of at least 3/16". Cutting shaft shall be at least 6" in diameter, run at 1800 rpm, and have a minimum of 80 all purpose knives. Cutting head shall have 6-5/8" diameter ground roller with 2-3/16 diameter stub shafts with four oil bath bearings.

The hydraulic system shall consist of a minimum 98hp input gear type pump, 80hp gear type motor with automatic belt tensioner, at least a 35 gallon tank with sight glass at the 28 gallon level, a 10 micron 75gpm filter with easily viewed restriction gauge, cab controlled single acting hydraulic cylinders on both ends of the cutter head, and appropriate hosing and tubing.

The unit will be equipped with a dual acting dual solenoid travel lock that will lock the draft beam and deck roll functions when in travel position.

ADDITIONAL -

- (A) The unit shall be delivered completely assembled, serviced and ready to operate including all attachments.
- (B) Parts and Service manuals shall be furnished.
- (C) Complete specifications of tractor and attachments shall be furnished with bid.

**TRADE-IN OPTION**

**1994 John Deere Tractor Model-JD6200. Trade-in tractor will remain in service until the new tractor with attachment is delivered. The trade-in tractor is available for appraisal by appointment only. Contact Sheridan County Road & Bridge Shop (307) 674-2930.**
