

SHERIDAN COUNTY, WYOMING

REQUEST FOR BIDS

Sheridan County, Wyoming is requesting sealed bids for one (1) 2021 or newer Tandem Axle Water Truck. Sheridan County will accept sealed bids until 3:00 p.m. local time **on July 30th, 2020**. Bids must be submitted on the official submittal form, signed by a duly authorized agent of the supplier, and submitted in a sealed envelope marked "TANDEM AXLE WATER TRUCK BID", addressed to the Sheridan County Public Works Department/Road & Bridge, 224 S. Main Street, Suite 428, Sheridan, WY. The bids will then be opened and read aloud in the 4th Floor Public Works Department Conference Room. Bids submitted by telephone, telegraph or facsimile will not be accepted.

BIDDING INSTRUCTIONS

GENERAL

It is the intent and purpose of these specifications to secure for the purchaser the necessary equipment and accessories that will comprise and furnish the equipment described above. A detailed list of minimum specifications required is included and is the basis on which the supplier's proposal must be made.

MATERIAL AND WORKMANSHIP

All equipment, materials and workmanship shall be of the highest grade in accordance with modern practice. The equipment supplied will be new (2021 or newer) and unused.

PROPOSAL SUBMISSION RULES

Specifications contained herein are numbered and each specification contains a box with brackets to permit the bidder to indicate a "yes" or "no" compliance reply. A yes answer is to mean that equipment offered conforms to or exceeds the specification as written. A no answer is to mean that equipment offered differs from or is less than the specification as written. A yes or no reply in the box is mandatory. Bidders are accordingly advised that all pages of the specifications, with required answers indicated, must be returned with the submitted bid proposal.

SUPPORT OF EQUAL OR SUPERIOR, BUT DIFFERENT, EQUIPMENT

To properly present his equipment when "no" replies are generated, a bidder or manufacturer is advised to follow the procedures described below.

1. Carefully read each specification and mark the appropriate "yes" or "no" reply with an X inside the proper brackets. The X entry must be made in ink or typewritten.
2. For each "no" reply, show the title of the specification and then explain how the equipment being offered differs. Replies must be made on a sheet entitled "Exceptions to Bid Conditions and Specifications" (Page 2).

MINIMUM SPECIFICATION FOR NEW TANDEM AXLE WATER CHASSIS

CONDITIONS

Unit offered under this advertisement shall be new standard production model of the latest design in current production.

Materials shall be of good commercial quality for the intended service and shall be produced by use of current manufacturing processes. Material shall be treated to resist rust, corrosion and wear.

The design of the mechanical members shall be such that the stress imposed through normal shock loads at maximum engine torque shall not cause rupture or permanent deformation or undue wear on any member.

Bidders must submit with their bid the latest printed specifications and advertising literature on the unit they propose to furnish.

Successful Bidder shall supply one (1) parts book, one (1) service and repair manual, with the unit.

Bidder shall be prepared to give a complete demonstration of the merits of the machines offered as directed by the purchaser. The machine so demonstrated shall be complete as offered by the bidder for this bid.

The price or prices bid shall include all transportation charges to Sheridan, Wyoming.

Purchaser requests delivery to be as soon as practical.

The Basis of Award shall be dependent on the most responsible bid submitted. Consideration will be given to cash flow, purchase price, delivery dates, equipment service guarantees, parts and service availability, parts and service location, analyses and comparison of equipment specification details, and any other items of concern to Sheridan County.

The purchaser reserves the right to reject any or all bids, to waive any informality in bids, or to accept in whole or part such a bid as may be deemed in the best interest of Sheridan County.

In accordance with the provisions of Chapter 6 – Article 1 Public Works and Contracts of the Wyoming Compiled Statutes. Preference is hereby given to resident Wyoming Contractors and to materials, supplies, equipment, machinery and provisions produced, manufactured, supplied or grown in Wyoming, quality being equal to articles offered by competitors outside the state. **Bidders claiming preference must submit evidence of WY residence as defined in WY Statue Section 16-6-101.**

Detailed specifications and bid documents are available at the Sheridan County Public Works Office, 224 S. Main Street, Suite 428, Sheridan, WY.

An Estimated Delivery Date shall be provided and listed on Bid Form.

The Tandem Axle Water Truck described in this specification shall be diesel powered and designed for all types of road applications. The unit shall include the truck set up with a Water Tank, Pump and Spray Bars. Including, but not be limited to, the following minimum specifications:
