Contact: Sheridan County Clerk

Eda Schunk Thompson – 307-674-2500

The State of Wyoming has authorized a new Certificate of Title for all vehicles, trailers, motorcycles, mobile homes, etc. Titles issued at your local County Clerk's Office will transition to slightly larger paper, and will include new information and improved security features. The new titles will look and feel slightly different. County Clerks will begin using the new titles as soon as November, but will exhaust supply of the previous version first. Additionally, the back of the title will provide space to include the sales price, which County Treasurers recommend be completed by the seller at the time of sale. All previous title versions remain valid and acceptable to transfer ownership. If you have questions or concerns about the new titles, or the legitimacy of any Wyoming title, please contact your local County Clerk.
